

CAMPUS MAP

PURDUE UNIVERSITY IN INDIANAPOLIS

You are welcome to visit academic buildings, but please refrain from entering classes in session.

1 | INNOVATION HALL

Home to the Office of Admissions and the Indianapolis Makerspace, our students participate in specialized labs and one-of-a-kind innovation opportunities.

2 | INSTRUCTIONAL BUILDINGS

The Engineering/Technology (ET); Engineering, Science and Technology (SL); Science (LD); and Science and Engineering Laboratory (EL) buildings house our main instructional areas, as well as departmental offices and student support services.

3 | UNIVERSITY LIBRARY

Located in the heart of campus, students can find an abundance of information and versatile study spaces.

4 | CAMPUS CENTER

The Campus Center offers something for everyone including restaurants, game rooms and a fitness center.

5 | TOWER DINING

Enjoy buffet-style dining in University Tower with a variety of options including vegetarian, vegan and gluten sensitive, as well as other dietary restrictions as needed.

6 | NORTH HALL

Our on-campus residence hall serves as housing for students seeking a more traditional living style. This hall also offers a fitness center and complimentary washers and dryers.

7 | BOILER PARK

Our outdoor community space is the perfect spot to relax, socialize or join a friendly game of cornhole. It also hosts club events, making it a go-to place to connect with fellow Boilermakers.

8 | SIGMA THETA TAU

Connect with important academic resources like the Office of Professional Practice, Center for Career Opportunities, Experiential Education, and Office of International Students and Scholars. These campus partners are available to enrich your Boilermaker experience!

9 | STUDENT CENTER

The Student Center is a hub for student life and academic success, with social and study spaces, a library, mini market, writing lab, disability resources and student success services — it's the perfect place to connect and collaborate.

10 | LUX ON CAPITOL

Lux provides apartment-style housing for students seeking an independent living experience in the heart of downtown Indianapolis with the benefits of living in a University Residence.
